George A. Jackson: Connected Together

Jackson is kind. Jackson is loving. We play and share every day.

No one is lonely, 'cause we laugh together. Bringing friends up, when they fall down.

We learn and grow, because in our hearts we know.

We're connected together, we are a family. Together forever, we are a family.

United we stand. Divided we fall. We have to stick together. We are all different, yet we all are one.

Jackson is peace. Jackson is loyal. Protecting each other, we stand as one.

We're connected together, we are a family. Together forever, we are a family.

Jackson's a family.

Look at us sharing. Thoughtful and patient. When we get going, we're unstoppable.

YOU are my family.
